7:00 PM. As there wasn't a quorum of members present at the meeting that attended the January 4, 2024 or the March 8, 2024 meetings, the Board was unable to consider or approve the minutes of the January or the March meetings. The January and the March minutes will be reviewed by the Board at the May meeting.

Chairman McDonough stated that he received an e-mail from Tess Goodman who inquired about the designation of district for property located at the lower end of Fogarty Road. Ms. Goodman did not provide Chairman McDonough with any further information with regard to location of the site to which she was referring. However, Ms. Goodman stated that she was interested in the possibility of proposing a solar farm on Fogarty Road. Chairman McDonough informed Ms. Goodman that the land on Fogarty Road might be in a HD where large scale solar facilities are not a permitted use.

With no further business at hand, Ed McDonough made a motion to adjourn the meeting at 7:17 p.m. Rich Geddis seconded the motion.
