A local law IMPOSING AN NINE-MONTH MORATORIUM ON THE PROCESSING OF
(Insert Title)
OF APPLICATIONS FOR, AND THE ISSUANCE OF ANY APPROVALS OR PERMITS
FOR, SOLAR FARMS AND SOLAR POWER PLANTS IN THE TOWN OF
SCHAGHTICOKE

Be it enacted by the Town Board of the
(Name of Legislative Body)

☐ County ☐ City ☒ Town ☐ Village
(Select one:)

of Schaghticoke as follows:

Section 1. Title

This Local Law shall be referred to as a "Local Law Imposing a Nine Month Moratorium on the Processing of Applications for, and the Issuance of any Approvals or Permits for, Solar Farms and Solar Power Plants in the Town of Schaghticoke".

Section 2. Purpose and Intent

Pursuant to the statutory and common law powers vested in the Town of Schaghticoke (the "Town") to regulate and control land uses and to protect the health, safety and welfare of its residents, the Town Board of the Town hereby declares a temporary nine (9) month moratorium on the processing or approval of applications for building permits, special use permits, special permits, variances, site plan approvals, subdivision approvals or Planned Development (PD) approvals related to the undertaking, establishment, placement, development, excavation, enlargement, construction or erection of Solar Farms and Solar Power Plants in the Town.

The Town Board desires to effectuate its Comprehensive Plan and address, in a careful manner, the undertaking, establishment, siting, placement, construction, enlargement and erection of Solar Farms and Solar Power Plants on a comprehensive Town-wide basis, rather than on an ad hoc basis, and to adopt new land use regulations to specifically regulate the same.

(If additional space is needed, attach pages the same size as this sheet, and number each.)

The Town Board finds that if development of Solar Farms and Solar Power Plants in the Town proceeds under the current Zoning Law it will lessen the ability of the Town to plan for its orderly development and protect the public health, safety and general welfare of the Town's citizens. Thus, the Town Board further finds and determines that it needs a period of time covered by the moratorium imposed herein in order to carefully review and complete the amendment of the Zoning Law to adopt regulations for Solar Farms and Solar Power Plants, schedule and hold the required public hearing(s), perform the appropriate environmental reviews, comply with applicable provisions of law, adopt the local law(s), and file the same with the Secretary of State of the State of New York.

The Town Board finds that pursuant to 6 NYCRR 617.5(c)(30) the adoption of a moratorium on land development or construction is a Type II action under the New York State Environmental Quality Review Act ("SEQRA") which has been determined not to have a significant impact on the environment or is otherwise precluded from environmental review under Environmental Conservation Law, Article 8 and is therefore not subject to review under 6 NYCRR Part 617 or Environmental Conservation Law Article 8.

Section 3. Authority

This moratorium is enacted by the Town Board pursuant to its authority to adopt local laws under Article IX of the New York State Constitution and Municipal Home Rule Law Section 10.

Section 4. Scope of Controls

- A. For a period of nine (9) months from the effective date of this Local Law, no board, officer or agency of the Town shall accept, process, consider or approve applications for building permits, special use permits, special permits, variances, site plan approvals, subdivision approvals or Planned Development (PD) approvals related to the undertaking, establishment, placement, development, excavation, enlargement, construction or erection of the following:

For the purposes of this Local Law, unnecessary hardship shall not be the mere delay in being permitted to make an application or waiting for a decision on the application for a variance, special use permit, special permit, site plan, subdivision, Planned Development (PD) approval or other permit during the period of the moratorium imposed by this Local Law.

- B. Procedure. Upon submission of a written application to the Town Clerk by the property owner seeking a variance from this Local Law, the Town Board shall, within thirty (30) days of receipt of said application, schedule a Public Hearing on said application upon five (5) days' written notice in the official newspaper of the Town. At said Public Hearing, the property owner and any other parties wishing to present evidence with regard to the application shall have an opportunity to be heard, and the Town Board shall, within thirty (30) days of the close of said Public Hearing, render its decision either granting or denying the application for a variance from the strict requirements of this Local Law. If the Town Board determines that a property owner will suffer an unnecessary hardship if this Local Law is strictly applied to a particular property, then the Town Board shall grant a variance of the application of this Local Law to a particular property, then the Town Board shall grant a variance of the application of this Local Law to the minimum extent necessary to provide the property owner relief from strict compliance with this Local Law.

Section 6. Term

The moratorium imposed by this Local Law shall be in effect for a period of nine (9) months from the effective date of this Local Law.

Section 7. Penalties

Section 8. Validity

The invalidity of any provision of this Local Law shall not affect the validity of any other provisions of this Local Law that can be given effect without such invalid provision.

In particular, this Local Law supersedes any inconsistent provisions of New York Town Law §267, §267-a, §267-b, §274-a, §274-b, §276 and §277 for the purpose of vesting the Town Board of the Town of Schaghticoke with the authority to accept, hear, process and determine applications for variances from this Local Law.
